MADDOX MINI WALL DISPLAY SHELF

The Maddox Wall Shelf is a contemporary shelving system that will add some luxury to a space. The ultra versatile solution allows the user to determine the spacing and layout of their floating shelves. The pop of metallic coming from the central spine adds a premium touch and makes the shelf the perfect place for T-shirts, shoes or prized possessions in the home or for those retailers looking for a deluxe display system.

RECOMMENDATIONS

Maddox Bush Flange load rating and fixings.

The Maddox Bush Flange is screw fixed to its position. Screws provided are 8G x 20mm to suit most applications.

Longer screws, wall plugs or wall anchors may be needed at installers discretion.

Bush flange + Cover Cap dimensions

50kg load per Bush Flange

Always supplied in Brass

Maddox mounting surfaces.

Whatever Maddox is fixed to, it must have sufficient structure to take the weight of the Maddox unit and items being placed on it.

Suitable surfaces may include Timber, Ply or Engineered Timbers, Masonry and Concrete.

CAUTIONS

Plasterboard – Requires sufficient timber battens or timber panelling

Tile – Maddox can be fitted to tiles. There needs to be sufficient rigid structure behind the tiled surface for it to be fixed to.

Maddox can not be fixed directly to glass or mirror.
