

ADAMAS PENDANT LIGHT

This single pendant is machined from solid brass. The warm precious metal is suspended by a 2m black textile cord from a seamless canopy. The knurled outer leaves a pattern from which the pendant gets its name Adamas, ancient Greek for diamond. Recessed up inside is an Australian designed LED module with a life time of 50,000 hours.

Brass (BR)

Aged Bronze (BO)

Blackened Brass (BB)

Stainless Steel (SS)

MATERIAL

Solid Brass*
Solid Stainless Steel
