MADDOX MINI WALL DISPLAY SHELF

The Maddox Wall Shelf is a contemporary shelving system that will add some luxury to a space. The ultra versatile solution allows the user to determine the spacing and layout of their floating shelves. The pop of metalic coming from the central spine adds a premium touch and makes the shelf the perfect place for T-shirts, shoes or prized possessions in the home or for those retailers looking for a deluxe display system. All Maddox System items are a carbon neutral product.
